My dear Sir

I beg to write your Kind reference to my letter no $\frac{5^{o}}{A \cdot 13}$ of $\frac{17}{18}$ 7.07 re payment of advances to the members of the late Sahaspur Agricultural Bank for the working expenses of their Estates for the Current year, and to request to be furnished with Early orders on the matter.

I have been to Sahaspur a few days ago to make arrangements in consultation with the Talukdar for the supervision of the Estate which, as you are aware,

is now under Govt management. Many
of the Bank members have made pressing
Enquiries for very large orders in the matter
of payment of advances to them for the working
of their Estates. With regard to 3 of these
members — viz Oddmansat, Kalappa & Manjappa,
I have told them that I expect any advances
from Govt to be made their own arrangements;
and they have agreed to do so. Leaving
the cases of these persons, & the Kerthalu members
whose Estates are not being worked & have
been brought to sale. there remain the
following members who are in need of advances
from Govt.

(1) Sundaram Sreekanthan

(2) Sundaram Brothers

(3) Soobbiah

(4) Abdul Rahimansab

(5) Dalal Sab

(6) Appajiswamy.

In his case of his forest of Kheri his Govt have in their order No. $\frac{FR953-7}{13-06-01}$ of 5.6.07 sanctioned an allotment of 12 Jobs for advancing to his remaining for his Current Year: and hence no further orders are required in his case.

In his case of Sundaram Estate, Osthiram under Govt management, it is absolutely necessary that his allotment required to work his Estate for his Current Year should be sanctioned & made available without any delay, to enable him to be proceeded with in his usual course

the Requirements of this Estate for this current
Year are Expected Estimated at about Rs 8000
Rs 8000 I request that this amount
may be Sanctioned at once. So that the work
on this Estate may not be stopped for want of
money.

As regards the Rent from members, it
has to be decided whether advances are
to be made to them this Year or has been done
in the past two Years. These members
Earnestly pray for this payment & advances
for this Year. on this ground that if not made
too late for them to arrange for loans Elsewhere
for their working Expenses. Considering that a
fair Crop is Expected to be realised this Year. There
is no harm in giving advances to them

for the current year limited to the
Estimated value of the crop as was done in
the last 2 years Hence if ~~you have to have~~
the suggestions made by me in my letter of
the 17th ult are likely to take some time
for consideration. I beg that, the concerning
the urgency of the case, you will be so good
as to ~~send~~ permit me to continue the
practice of the last ~~two~~ two years. I beg
~~to~~ advances for the year also up to the
Estimated value of the crops ~~raised~~ covering the current ~~year~~ crops
raised in my opinion to be sufficient to decide the case as ~~I~~ I have —
~~already~~ sent ~~the~~ necessary documents of the market value of the
already sent ~~to~~ the Govt can be supplied some time

" The current year promises such a course cannot

he recommended to be continued my
much longer. in his interest & God.
If this course meets with your approval,
I request that the allowance for his
Dear may be kindly sanctioned as well
replaced at my disposal. I give
below an Estimate of his probable
requirements. Of Each of his Estates

1	Surdeckan ~~Bond~~ Sri Kanthah	3 800
2	Ettevar Nallan	8 000 !
3	~~Bónd~~ Soobbiah	3 600
4	Abdul Rahimansah	3 000
5	Lala Sah	3 000
6	Appangoundan	1200
		22 400

the total allotments required with leave amount is about Rs 22.400.

As regards the management of the Indevar Estate, one Mr Brito who had been placed in charge of the Estate on a pay of Rs 100 a month, having gone on ~~leave~~ a month's leave in May last, & failed to return on his expiry of his leave, the Estate ~~suffered~~ came to be neglected & some Enbank. Mr Mysaf & Mr Pilleappan tried to secure a good manager in place of Mr Brito. and, ~~as~~ it was my ~~unfortunate~~ on the 8th inst that we succeeded, after considerable difficulty, in inducing one Mr Schofield, an European Planter who had close to Indevar, to take up the management of the Estate on a pay of Rs 70, the remaining

30 Rs — and Rs 100 that Mr Brito was

to bring — being paid to a writer living on the

Estate & working under the directions

of Mr Schofield. It was only on the

clear understanding that there will not

be any delay in making payments for

work done on the Estate that

Mr Schofield consented to take up the management

and I am therefore anxious to have the

allotment for the Estate sanctioned without

delay. So that I may keep my agreement

with Mr Schofield. Without fail I will come

for complaint

I remain

Yours Sincerely
